Why do more than half the Fortune 1000 use Slice ceramics to reduce injuries and lower costs?

- Slice patented ceramics stays sharp up to 10x longer than steel
- single Slice ceramic blade = up to 20 metal blades
- cuts through corrugated like butter
- safer than traditional metal blades
- less blade changes = less money = less downtime = less injuries
- oil-free finish
- never rusts
- non-magnetic
- non-conductive
- non-sparking
